Trinity's a Treat

Dear Virgin Territory,

Trinity in the June '14 issue is so cute! I loved how fresh she looked with that pretty smile and sweet, little butt. It was an added bonus to read her talking about how she liked to get cum shots in her mouth. Please tell me that she has appeared in some videos. It'd be awesome to see her in a POV scene so that I could imagine it was my cock that she was sucking and stroking. Anyway, please feature her in more pictorials in the future.

Also, do you ever have any Canadian girls in your mag? Being a Canuck myself I would love to see some great white northern beaver in your pages.

Keep up the great work! You have the best teen honeys in your magazine that I've ever seen.-S.S., Canada, via email

Dear S.S.,

Trinity is in the DVD After School Slut Club 3, and she has another hardcore video on 18eighteen.com. She was

also in the Jan. '14 issue of 18eighteen and has a hardcore layout in page 88 of this issue. Some Canadian girls we've featured are Ariel from Holiday '07, Michelle from May '12, Andi from June '12, Rebek from Aug. '14 and Frederica from Sept. '14. You can order DVDs on page 9 and back issues on page 11, or go to eboobstore.com.

Skye Has No Limits

Dear Virgin Territory,

I have never seen so many young faces in one issue! The Aug. '14 issue was definitely a winner. Covergirl Skye was my favorite with her mischievous sweetness. She has the doeeyed look down perfect, as evidenced in the photo on page 41. I don't think it would be possible to say no to her. And although she looks very young and innocent, it sounds like her sexual preferences are quite evolved! Having sex in a plane, losing her virginity in front of her friends...at 18

she's done things that I haven't! She's a very intriguing girl with adorable, little breasts, a winning smile and a twinkle in her eye. I can't wait to see

more of this cutie in the future.-P.H., Norfolk, Virginia

Dear P.H.,

When we first met Skye she definitely struck us as a smart and witty girl. And she really is as sexually adventurous as she says. We love that she has looks and personality and is a ton of fun. You can see more of her on page 79 of this issue.

Unique Boobs

Dear Virgin Territory,

Holy moley, Ellie from the Aug. '14 issue is a total babe. You were right with your title for her pictorial-that pussy is pristine! And so is her pale, porcelain skin. Thanks for all the pussy and butthole shots. I liked the photo of Ellie's pussy on the bottom of page 25. Her lips were spread out like a flower, and her slit looked ready for a licking. I even pressed my face into the page trying to pretend that it was actually Ellie's pussy and asshole I was nuzzling up against. Sad, I know. But that's how much her photos affected me. I also noticed that on the first page of her layout that she had interesting tits, although I couldn't see them too clearly in the rest of her pictorial. I don't know how else to describe except by saying that they are connected in the middle. She has an interesting cleavage. Could I possibly see more of it? And of course, if you have any more sets of her, please publish them as soon possible!-T.K., via email

Dear T.K.,

Sadly, we don't have any more photo sets of Ellie, but enjoy this bonus photo of her unique breasts.

Fresh-Faced Teens

Dear Virgin Territory,

Jennifer from Aug. '14 is such an adorable, little nerd. I would have liked it if she kept the glasses on, but at the same time I love seeing those baby blue eyes of hers. One thing I really liked about her set was that she had very little make-up on. I prefer the natural look. You are usually pret-

ty good about not over-doing the make-up on models, but some other magazines and websites really cake it on. I want to see fresh-faced teens, not over-done strippers! I realize that not all girls are attractive enough to sport the natural look, but it should be done whenever possible. Jennifer looks great with practically a bare face. In fact, all the girls in this issue are natural beauties. Kudos for a job well done.-I.D., Clinton, Iowa

Dear I.D.,

We do try to keep the make-up to a minimum. With such young, pretty faces,

Lusting for Lia

Dear Virgin Territory,

I just bought your June '14 issue. It was sweet and packed with teen pussy. But one special lady caught my attention, and that's Lia and her perky pussy. She's young, sexy and beautiful. I loved her right away. That yellow dress does make her look adorable. But as much as I like the dress, I liked it even better when she took it off and showed off her birthday suit! Lia's nude body is sweet. I love her tits, asshole and pussy. I bet it's cherry flavored!

Lia also has a nice, big, pretty smile. She seems so positive. I like how she makes guys think she's an innocent girl, but then takes their hard cocks in her throat. She is a princess. I'm proud of her for taking special time to do this pictorial for your magazine.-J.K., Green Bay, Wisconsin

Dear J.K.,

Keep your eyes peeled for a hardcore layout of Lia coming up soon!

Asian Love

Dear Virgin Territory,

I'm a fan of Asian girls so I was very pleased to see Mai. Japanese women are so lovely. I would tongue that backdoor sushi roll of hers any day. And those brown nipples of hers excite me so. She reminds me of one of the first Japanese girls I ever saw. She was a foreign exchange student at

my school, and I had the biggest crush on her. I loved how quiet and polite she was, and I thought she was extremely cute. I guess you could say I have a thing for exotic-looking girls.

Alina Li is another beautiful Asian girl that you have featured. She has a different appeal than Mai though. Mai is more innocent, while Alina gives off a sexy vibe. Usually I prefer the innocent types (which is why I read *18eighteen*!), but I can't deny the pure animal magnetism that Alina gives off. Either way, I have cum to both of these Asian teens!–F.S., Walla Walla, Washington

Dear F.S.,

If you like Asians, you should also check out Mari from the July '14 issue and the ever popular Amai in the Aug. '11 and June '11 issues. You can order back issues on page 11 or visit eboobstore.com.

Welcome to our magazine, Alex!

"It's so nice to be here! I love that I'm playing the slutty schoolgirl for you guys. To tell you the truth, that's not too far from how I act already. I was on the homecoming court in school and had a lot of responsibilities, so I could pull people out of class. I pulled the quarterback out of English for a surprise bathroom blow job!"

Whoa, that's pretty wild!

"Yeah. He was the one who took my virginity, and we kept screwing around for the whole school year. I even let him lick my ass under the bleachers during an assembly. That was so fucking hot. We really taught each other everything we knew about sex. I got him into really kinky sex, which I've always been fascinated by. I cum so hard when a guy's powerful hands are holding me down, gripping my neck or spanking my ass. I guess I'm a little dirty."

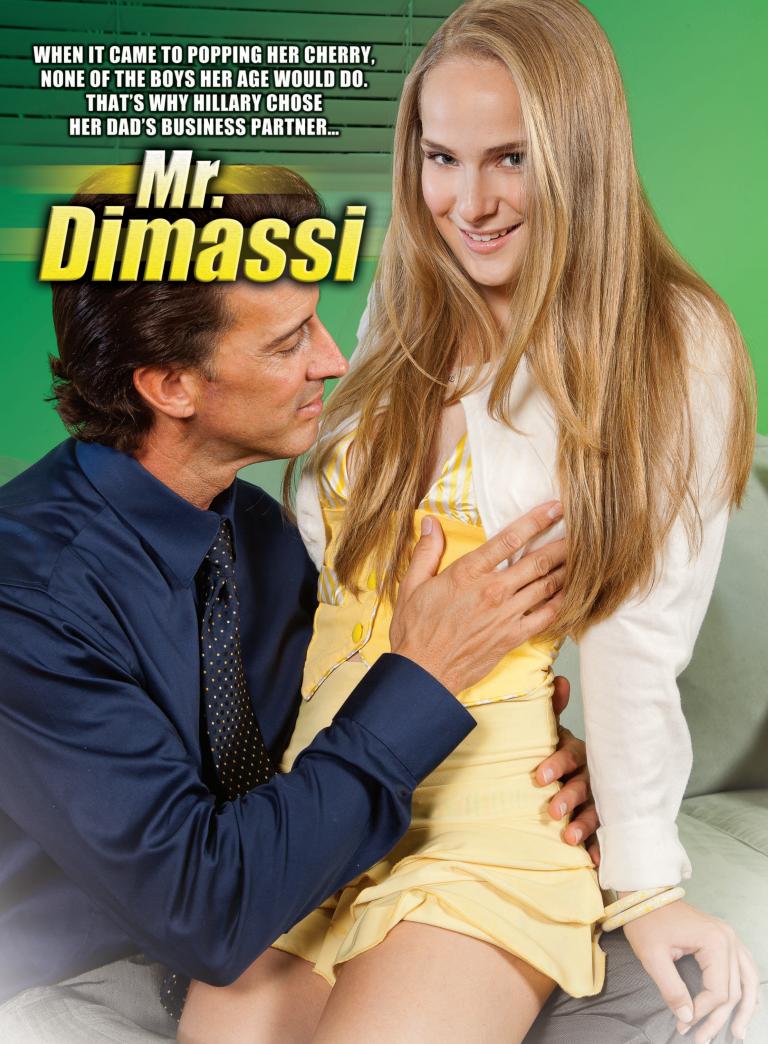

Your pussy is so fuckin' smooth. What's the secret?

"There's no secret. Well, unless you call being a ginger a secret. My hair color is super fair, which means my body hair is light. I've gotten in trouble because of how smooth my pussy is, believe it or not. One night a while after I turned 18 I went to this club. I met this really cute guy and we were making out in, like, 10 minutes of knowing each other. I decided to go home with him. When he slipped my panties off he thought I was too young for him. I had to actually show him my license before he would fuck me. It was fun, though. For the rest of the night I talked like I was much younger just to tease him!"

BY KIM KOIDAHL

I never thought I'd still be a virgin at 18...me, the horniest of all my friends, the one who dragged the other girls to Magic Mike and owned a dog-eared copy of Fifty Shades of Gray...but that was the sad truth of it. I could say I never had time. Senior year was a blur of dance and soccer practices while everyone else seemed to be busy getting busy.

But time wasn't the problem, to be honest-the boys were. I may have been a virgin, but I had appetites, and I'd heard the stories. Fumbling around with some smelly dude who doesn't know how to wash his cock much less thrust deep with it seemed like a waste of time and reputation to me-give it a day, and everyone would know. And there was always my trusty dolphin vibe-a "gag" gift I nabbed from my older sister after her bachelorette party. It was cheap, but it had a nice long shaft with a little molded dolphin that vibrated right on my clit. I always thought of a guy

You could say I had some idea that older guys made me wet. But I had no idea how much better actually fucking one would be.

My dad owned a small business with a partner. They did something office-y with insurance and cars and had a bunch of cubicles set up in a converted garage space. It was so boring I never even tried to understand what they did, but it was cozy and close to the community college where I'd just begun taking classes. I'd swing by to beg for some extra cash from dad, or brag about a test I aced or something I learned in economics, mostly to make him more inclined to give in to the cash requests. But the day I lost my virginity, dad had gone home at four, and I breezed in at four thirty. Since they were too cheap for a receptionist, I walked right in with my swipe key and headed straight for dad's office, past the five or six employees still working till five.

That was when I saw his office was dark. I shifted the keys in my

hand for a second, pulling on the plastic dolphin I'd bought for my keyring clasp. No one seemed to even notice I'd come in. Before I could stop myself, I headed to the adjacent private office-dad's partner, Mr. Dimassi. "Mr. Dimassi?" I knocked tentatively on the slightly ajar door. "Hillary! You just missed your dad." "I just noticed," I said, peeking my head around the door. Mr. Dimassi was behind his desk, looking a little over-serious. His bald head gleamed

like always above his

deep blue eyes, and his tailored shirt stretched neatly over his broad chest. I remembered a time I'd masturbated thinking about him fucking me on top of that desk, and I blushed.

"Mind if I come in? I just need to kill some time."

"Sure!" he said, pushing himself back in his desk chair and standing up. He stretched his back, giving me a warm smile. He looked relieved to have any distraction.

This is it, something inside me thumped. The chance to have the kind of sex I'd been waiting for.

"You want a soda or anything? I have a few in the mini-fridge," he said, easing himself onto his leather couch. I liked the way the sharp crease in his pants flattened to submission from the pressure of his thighs as he sat. I liked the parts that didn't flatten even better.

"No thanks," I answered. "Listen," I began, completely unsure how I'd finish, "...maybe you could help me out with some career ideas..." I began to walk, looked at the ceiling. "I was wondering if you think I might have a future in modeling!"

I had never thought of this before, it just slipped out. I found myself staring at him, wondering where I could take this, and how.

"Wow," Mr. Dimassi said, surprised as I was. "You're one of the

most beautiful girls I've ever seen, but I don't know why you'd think I'd know anything about modeling."

My legs trembled a little, adrenaline rushing. I needed to sit, so I slid onto the couch next to him and grinned. "I don't know," I said, "I think I just wanted to hear you call me beautiful."

Mr. Dimassi's eyes grew wide, but he never dropped his smile. "I don't believe for a second a pretty blonde like you with a body like yours doesn't hear she's beautiful from men all the time. I'm just surprised you're not sick of it. Your dad know you're this vain?" he said with a wink.

I blushed again, knowing now just how I wanted this to go. "Well Mr. Dimassi, it's always better to hear it from a man as sexy as you!"

This time, true shock registered on his face. "What! You better not let your dad hear that!" I could swear I saw a bulge begin to form in his pants as he adjusted himself again on his cushion. "Hillary, you shouldn't play with men like this now! What if I take you seriously?"

I had collapsed into giggles and smushed my face into a leather cushion, but at this I straightened up and pushed my newly static hair out of my eyes. "Take me seriously, please? I know you can, but I don't know how to be serious doing this—I've never seduced a man before and I'm embarrassed already!"

"Don't be embarrassed, honey, but you can't possibly be serious. I've got

20 years on you, and you're my partner's daughter!"

"If I shouldn't be embarrassed," I whispered, lightly stroking two fingers up and down my thigh, feeling my whole body flush, "that must mean you want to, too."

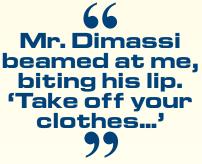

"Your dad would kill me-"

"No reason I ever have to tell him. I'm 18, old enough to know what I want. I could star in a porno or join the army, but..." I paused, moving the hand that had been circling my thigh to the undeniable bulge in his pants. "I want to fuck you."

I'd said it. No turning back now. I stood up and backed my way to the door, eyes still locked on his for a moment—when I saw he'd decided on it, I closed the door and clicked the latch locked. Lingered...

"Come here, Hillary."

I walked to where he scooted forward, his hips at the edge of the couch now, and felt that flush around my thighs, my pussy even. Could it

be already? I felt weak in the knees again. I was going to fall on my knees right in front of him, right in front of the thick, long bulge in his pants; it attracted me and scared me a little! Something that big...

"Stop. There."

I gasped, and balanced. I was standing a foot away from where he sat, plainly enjoying himself. He looked at me intently. "You know you want to fuck me, Hillary?"

"Yes, Mr. Dimassi. I've really thought about it. I've...considered it. Thoroughly. Over quite a long period of time..."

Mr. Dimassi beamed at me, biting his lip. "Take off your clothes for me then. Right here."

I felt a heat in my body wherever I saw him looking. If this feeling got any stronger, stripping for him would require all my strength, when I felt so suddenly shy...but I couldn't

Teens come in all shapes and sizes.

Here at 18eighteen we get a lot of emails and letters from fans who request certain kinds of girls. Usually they want to see the youngest-looking girls with flat chests and innocent attitudes. We do get fans who want young, sexy teens with big busts every once in a while, though, so we decided to bring back the beautiful Megan. She's a busty beauty who prides herself on being the girl everyone wants to fuck. "I keep my body tight by going to the gym five days a week. I also do yoga because stretching keeps me limber for sex. I want to hold onto my teenage body well into my 30s if I can. I want other people to hold onto it, too!"

once a week I have to rub my slit in the showers because their attention is getting me all hot and bothered. One time I took the juice bar guy home with me. That was probably a mistake, but I couldn't help it."

Megan and her giant teen boobs are now taking fuck-applications.

Even though she's had countless 18eighteen fans slobbering and jizzing all over her pics, Megan still hasn't found a guy that makes her want to be in a relationship. "No way I'm locking myself down right now," she told us. "I'm way too much of a hot commodity. I'm really happy with the position I've found

myself in around campus. I'm beginning to get a reputation as a GGG girl. That means Good, Giving and Game. I'm kind of known as the girl that will join in threesomes with a couple. The girls that want to fuck me know that I could have any guy on campus, so they feel better about sharing their boyfriends."

Jennifer's sexy new adventure.

Remember back in August '14 when we told you Jennifer hadn't ever been with a girl? Well, that's all changed. "I licked my first pussy," she proudly told us. "It was totally unexpected. I met this couple at a party on campus and an hour later he was balls deep in my cunnie and I was munching away like an animal at her twat."

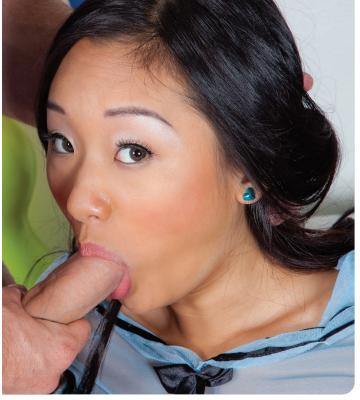

Alina goes all the way!

"I guess it was a big deal when kids at my school were all virgins, but I've never seen what the big difference was between sucking a cock and fucking one. It's all sex to me. I know girls that will blow three guys in one day and still consider themselves virgins. Not me. If I'm going to get a guy off, then he'd better get me off, too! That wasn't a problem with this dumb jock. He might not ever get out of the 12th grade, but he's definitely got some moves!"

I'd rather watch this guy on the field than try to hold a conversation with him."

18EIGHTEEN.COM

We're glad you're here, Ella!

"I'm so glad I could make it, you guys. Life has been really hectic lately. Pretty much the only thing that keeps me sane is the fact that I'm masturbating three times a day to calm my nerves. I'm nervous about my classes at school. I find it so hard to concentrate during lectures because of all the hot boys around me. I didn't like the kids at my high school, but now that I'm in college I'm dealing with a different kind of man. They're dressed up, they wear nice clothes and they're opinionated. When I smell their cologne my panties usually get soaked. I imagine fucking all of them on my desk."

stop. I wanted to lose it to him so bad, it was like I already had. I pulled one arm out of my tanktop slipdress, then pulled the other out as I raised it over my head. I heard him moan as soon as I raised it far enough to reveal the top of my skin-tight printed leggings that hugged every crease. They were light

blue, but...much darker close in to my pussy. Now I stood in my leggings and gray shelf bra. I could feel myself blushing in all kinds of places, for all kinds of reasons. I hadn't exactly planned my wardrobe.

"Now just take off the bra. Leave on those leggings," he instructed.

I did as he said, and shuffled my shoes off too, growing an inch shorter, smaller. My tits, always big for my size, must have seemed all the more impressive. This was the first time I'd ever had my tits out in front of a man, and it felt different than having my tits out in any other context. My nipples, always a little pointy, had flushed into little red arrows, and I seemed to notice the heft and weight of each of my tits in a way I never did alone or in the showers...the stagnant air on my nipples felt like a wind with him looking. He reached for them.

Britt is a bit of a show off.

"I've been an exhibitionist as long as I can remember. I lost my virginity in a park. It was on top of a picnic table, and we were in broad daylight. I pulled my panties to the side under my skirt and let him slip inside of me just for a second. We waited until it was after dark to finish going all the way on the merry-goround. It was very romantic. I remember looking up at the stars as we were spinning around and he was pumping me full of cum."

Other than exhibitionism, what kind of sex turns you on the most?

"I guess I'm like every girl. I need variety. I like vanilla sex just as much as everyone else, but I also really like kink—not the leather hoods and whips kind, but the handcuffs and blindfolds

and whipped cream kind. My favorite position is doggie-style so the guy can play with my butt a little. And during blow jobs I prefer to swallow. I suppose I'm pretty normal in my tastes."

ly sucked my whole nipple into his mouth! I gasped and felt a gentle brush from his teeth, biting...I'd never thought of how good this would feel when I was masturbating alone. He popped it out of his mouth and went immediately to the other tit. Never had anything that had ever happened to me felt this dirty and fantastic. My tits pointed out at attention, and I thought for the first time, I understood why some girls like getting their nipples pinched. I felt my leggings drench through.

He reached down between my legs, starting at my inner thigh and working back to the height of my ass crack, my leggings hugging even there. He pressed just a little on my asshole, and I jolted, loving it and scared of it. He slid slowly down with an index finger between my practice-toned, perky ass cheeks, pushing the folds of the leggings up further into my crack. Then he casually slid up a bit of fabric into my sopping wet vulva, finally resting a few fingers on my clit with firm, deliberate pressure.

I moaned. My legs shook. I felt his fingers stop probing at a spot just below my clit. "Aw look, Hillary, you've got a giant hole right here! I can see your pussy there," he said, and just like that I felt his hot, wet tongue darting into the hole in the crotch of my leggings, which I was embarrassed to remember were on their second wear today. I felt his tongue slide up to brush my clit, and I

shuddered, weak again.

"I'll buy you new ones," Mr. Dimassi said. "Sit down, and spread your legs." I did. He carefully pried the hole in the leggings open, stretching and pulling at the fibers a bit at a time until it was a gaping hole between my legs exposing my whole fluffy mound and down to my asshole. I realized I would not be taking these off.

Mr. Dimassi thrust his face into my pussy and I almost shrieked with pleasure—stopped only by the thought of any late stragglers outside who might hear me. His nose grazed my clit as his tongue flicked in and out of my pussy. Then he shocked me by sticking it a few centimeters into my asshole, slightly moist already from all my cum. I was amazed at how hot this felt, feeling my wetness begin to creep to my inner thighs.

I was so turned on, I had to see his cock. It was getting harder and harder not to think about it. I gently pulled his head out of my pussy and tugged on his arm. "Sit up here a minute," I said. "I want to see you."

Once he was next to me on the couch, I grabbed for the bulge in his pants. I knew what dicks looked like—I'd seen porn, and my vibrator was kind of like a dick—but I still didn't know what to expect. What I felt through his pants felt hard like wood, and even though I knew to expect it to get hard, I didn't know a human body could feel hard in that particular way. It felt good to know that I could be the cause of that. I fumbled for his belt and failed at the clasp a few times. Mr.

Dimassi was finally nice enough to guide my hands. I unzipped and felt for his hard cock like a magician for a bunny. And out it popped, promptly, a thick, sturdy cock with a head like a toadstool. Don't get me wrong, I had seen many, many pictures of dicks, but still it seemed so foreign in the flesh. His balls were giant pillows I hadn't expected to be so big, and I poked them at first, feeling their weight; then rolled them around a bit with my fingers, unsure but curious. Mr. Dimassi moaned. I looked up at him and we locked eyes. I took the shaft of his cock into my fist and pulled it to my mouth, touching my flat tongue to the tip of the head and licking it around like a lollipop, slowly. His head felt so smooth on my lips, and so thick with a smell I liked but couldn't place. Instinctively I began to suck, popping his head back out again in imitation of what he'd done with my tits.

"Oh god yes," he said, leaning back with a hand resting lightly on my

head. I tried to jerk his cock with my hand while I sucked, but ended up losing the rhythm. I was nervous. Mr. Dimassi slowed me down with a firm hand on my head and told me to try going up and down as far as I could on the shaft. "Just practice," he said. And practice I did, starting by getting halfway down the shaft and then going down by centimeters. He was big, but I was so turned on that everything felt flush and pliable, even my eager throat, and it wasn't half as difficult as I'd expected.

"Wait," he said. "Get back up here. Sit on my lap."

I raised myself and turned around, tentative. Did he want me to sit on his cock? Should I know how to do that from behind? I hovered over his hard dick that was still wet from my mouth. "I'm gonna guide you onto it, and I'm gonna fuck you like that."

It looks like you're studying History, Skye.

"Yep, it's my favorite class. I'm having trouble concentrating, though. My mind wanders really easily, and I'm finding it difficult to focus on the task at hand. Plus, when I'm bored I tend to put my hand on my pussy. I don't know why I do it. I guess it's like how guys touch their junk while they're watching TV. Anyway, that turns me on, and I always end up masturbating. I've been studying this chapter for, like, three hours, and I've already fingered myself a bunch. Honestly, it makes it much more fun, but it's definitely more exhausting when I do it this way!"

I trembled as his hands cupped and grabbed onto my ass, guiding it down and back until I felt the tip of his cock pushing the outer lips of my slippery pussy open and then pushing harder as it met resistance in my virginal cleft. His hands on my hips pressed me down as his cock plowed upwards, and I felt something in me seem to POP as his cock launched into me like a rocket! "Ohhhh!" I cried, unable to keep it in.

Mr. Dimassi quickly clamped a broad hand over my mouth, keeping it clutched onto my jaw as he bounced my barely-legal virgin pussy up and down on his sexy, older, perv cock. With his other hand he held my cunt, one finger on my clit, lazily rubbing and pinching, and the rest of the hand pulling my pussy's opening out even wider for his cock's ease. Slowly, after I'd proven myself more quiet, he slid

cock thrusting and his hands pinching and pulling at my nipples and my clit I felt a rush coming over me faster than it ever did alone, and as I bounced harder, gushing my juices all over him, I cried out again.

He clamped a hand over my mouth again and pulled me off of his cock and onto the sofa, pressing and guiding me so that it was clear he wanted my face and chest down on the couch with my ass angled and facing out so

> was splayed open and exposed by the gaping hole in my leggings. "Hillary," he said, "I want to play with that asshole a little bit, okay? Nothing surprising. I'm not going to fuck you there. I just want to explore it a little. I won't do anything fast. It's such a pretty, little asshole. Is that okay with you?"

> hadn't really expected that, but after the cum he'd just given me, I felt I owed him the chance. I remembered how good it felt when he pressed against my asshole that first time...

> This time, he started tracing up and down the curvature of my ass again, cupping my cum from my pussy and spreading it up and down my ass like

jam until I was goopy all over with it. Then he slowly traced the circle of my puckered asshole, gradually massaging harder until something in me gave way and my asshole softened. Mr. Dimassi eased the tip of his pinkie finger into my asshole, drenched in my cum. I moaned and quickly pushed back into him, forcing his finger further in. He fucked me in my virgin ass with his pinkie and then his index finger, and even though it gave me full, visceral, almost-blackout pleasure, I knew I couldn't take a cock there yet. "Just stay in that position," Mr. Dimassi said. I could hear him jerking his cock behind me, just above my exposed and now cum-glistening ass. "Why did you come here?" he asked in a low whisper.

"I came here to fuck you."

"Who did you come here to fuck?" "I came to fuck YOU, Mr. Dimassi!"

With that, I felt a rain of hot sticky cum all over my asshole, dribbling over my pussy and staining my leggings in multiple places. Mr. Dimassi moaned and smeared his warm, thick cum in streaks across my pussy and ass, taking extra time to massage the stain and smell into what remained of my leggings. I would be walking out of there afterwards onto public transit, reeking of semen and pussy and ass in a way no Febreeze could help. I slowly lifted myself up and stood, began looking around for my dress and my shoes.

We heard what sounded like skittering outside the door, and I could see the look of panic in Mr. Dimassi's eyes. I didn't want to complicate anything-all I'd wanted was to welcome dick into my life with a dirty older guy who could get me off. I quickly shimmied into my jersey dress and slid my shoes back on. As I walked across the room to give Mr. Dimassi a nice warm goodbye, it hit me what we had never once done: kiss. I pulled his face down to mine and whispered in his ear, "Thanks for the perfect fuck, Mr. Dimassi."

"You can call me Mike."

I grabbed Mike's gleaming bald head and kissed him straight, quickly parting his lips for my tongue. I'd never kissed before either, but I knew I wanted everything to be wet from now on. "You can call me, Mike," I purred. "But, on my cell phone. Never the house line."

Now, every man can know the power of having a huge cock!

INCREASE YOUR PENIS SIZE

HOW IT WORKS

- This is not a penis pump. This is not a sex toy. The Bathmate uses hydraulic pressure to expand the blood vessels and tissue in the penis. With a thorough regimen of daily use, results gained will continue to develop.
- Water creates a far more powerful vacuum than air, which in turn leads to greater power to increase penis size and to exercise the penis. Warm water develops blood flow while cushioning and lubricating the penis as it expands to fill the tube.
- Temporary gains in length, girth, erectile strength and stamina will occur after first use. These results may range from 0.25" to 1.00" in girth. Length will vary with participant, but all gains improve with time.

HERCULES BATHMATE

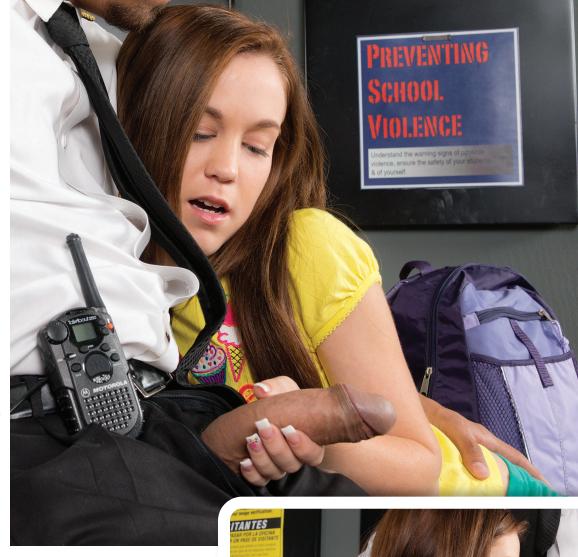

Uh oh, Trinity. It looks like you're busted!

"If you want to put it that way. I'm pretty smart, though. I figured out exactly what I needed to do to get off-get the attendance officer off! He's got a reputation around campus of liking to stare at the girls during P.E., so I knew that I could get whatever I wanted from him. When he caught me skipping class today I just went with him. He was asking all these stupid questions like, 'Don't you want a good education?' What a dummy! Right when he was picking up the phone to call my dad I put my hand on his thigh. It didn't take long before I saw his cock getting hard in his pants. After that, all I had to do was pop his dick behind my tonsils, and I'd be free."

So, was the sex any good?

"Uh, yeah, duh! Did you see the size of his cock? How could it be anything other than great? Honestly, I was just planning on sucking him off, but once I saw how big he was downstairs I knew I just had to feel that dick stretch my twat. I mean, just because a guy has a big dick it doesn't mean he's going to be good as sex, but officer Juan definitely was great. He licked and fingered my pussy until I was literally shaking. His hands were massaging my nipples, too. I'm normally very sensitive on my nips, but his pinching and stroking sent lightning down my spine! It was so good."

How did you enjoy having him cum on your slutty, little face, Trinity?

"Oh my god, it was so yummy. That's my favorite way for a guy to finish on me now. I love having my pussy pumped full of jizz, but there's something so much more erotic about having him pull out of my drenched twat and shove his rod into my mouth. I love the taste of my own juices because it's so sweet,

and when that mixture of precum and cunnie lube mix together it's fucking amazing. It's really slippery, too. I love it when a guy uses that combo with my spit to fuck my mouth after he's done with my pussyhole. That makes me feel so horny that when he pulls out and starts jerking, I'm begging for his load."
